A literary element, or narrative element, or element of literature is a constituent of all works of narrative fictionâ€”a necessary feature of verbal storytelling that can be found in any written or spoken narrative.

Literary element - Wikipedia

In literature, writing style is the manner of expressing thought in language characteristic of an individual, period, school, or nation. Thus, style is a term that may refer, at one and the same time, to both conventions that go beyond the individual writer and to singular aspects of individual writing. Beyond the essential elements of spelling
