## **Project management - Wikipedia**

ANU is a world-leading university in Australia's capital city, Canberra. Our location points to our unique history, ties to the Australian Government and special standing as a resource for the Australian people.

## **About ANU - ANU**

Funding bodies increasingly require grant-holders to develop and implement Data Management and Sharing Plans (DMPs). Plans typically state what data will be created and how, and outline the plans for sharing and preservation, noting what is appropriate given the nature of the data and any restrictions that may need to be applied.
