Writing SMART Learning Objectives To be useful, learning objectives should be SMART: Specific Measurable Attainable Results-Focused Time-Focused Learning objectives focus your learning on specific areas and can help you maximize your time spent

Writing SMART Learning Objectives

Writing SMART Objectives . To use an objective to monitor your progress, you need to write it as a SMART objective. A SMART objective is: 1. Specific: Objectives should provide the "who" and "what" of program activities. Use only one action verb since objectives with more than one verb imply that more than one activity or behavior is being measured. Avoid verbs that may have vague ...

Writing SMART Objectives (PDF) - Centers for Disease

WritingSMARTLearningObjectives.pdf | Internship | Goal

Writing good work objectives is not easy. This is true whether you are writing them for yourself or for someone else. Getting at meaningful content for a work objective requires you to think at length and in depth about the work to be performed. It is unlikely that you will be able to sit down and dash off a set of finished work objectives. Instead, you will have to write them, think them ...
